Board Certified Urologist

We would like to welcome you and take this opportunity to thank you for choosing our office for your urologic care.

Enclosed is a brochure to help answer any questions you may have regarding our office.

We want you to know about our office procedures and what to expect at the time of your first visit.

- Please **complete** the enclosed patient forms, in black ink and bring them with you on your appointment date along with your insurance cards, driver license and referral (if applicable).
- We will collect your co-payment, co-insurance and deductible at the time of service. Our office does *not* accept checks for new patients; payment can be made with cash, American Express, Visa, MasterCard and Discover.
- A urine specimen will be collected, so we suggest you drink fluids right before your appointment to make it easier to obtain the specimen.
- If you have had any x-ray studies or records pertaining to your urologic condition, please be sure to bring them with you.

If you are unable to keep this appointment, please call as soon as possible and we will reschedule a more convenient time for you. We reserve the right to reschedule your appointment should you arrive 15 minutes or more late to your scheduled appointment time.

We look forward to seeing you and if you have any questions, please feel free to call the office.

Sincerely,
